

Warnock Engineering Building (WEB)

University of Utah
72 South Central Campus Drive
Salt Lake City, UT 84112

Driving Directions:

1. Take the 600 South Exit off I-15: You will now be facing East. Continue driving East on 600 South until you come to the State Street intersection.
2. Turn Left on State Street: You will now be facing North. Continue driving North on State Street until you come to the 400 South intersection.
3. Turn right on 400 South: You will now be facing East. Continue driving East on 400 South. As you reach the foothills, 400 South will curve so that its name changes to 500 South by the time you are on top of the hill. Continue driving East on 500 South until you come to the 1300 East intersection.
4. Turn left on 1300 East: You will now be facing North. Continue driving North on 1300 East until you come to the 100 South intersection.
5. Turn right on 100 South (North Campus Drive): You will now be facing East. Continue driving East on 100 South. As you go up the hill, 100 South will abruptly turn to the left (North), at which point its name changes to North Campus Drive. Later, it will make a large sweeping turn to the right (East). Continue following North Campus Drive until you come to Central Campus Drive.
6. Turn right on Central Campus Drive: You will now be facing South. Continue driving South on Central Campus Drive until you come to the intersection with the street named Federal Way.
7. The Warnock Engineering Building (WEB) is located off the South West corner of the intersection of Central Campus Drive and Federal Way. On Saturdays, you may park for free in the parking lot directly across the street without having a parking pass.
